**DATES:** May 3rd and 4th, 2008  
**COST:** \$195.00 Tuition Only  
**LOCATION:** Half Moon Bay, Ca

**COURSE DESCRIPTION**

Fast paced and hands-on, this two- or three-day course covers a wide range of wilderness medicine topics for people who travel in the outdoors. Whether spending time in the backcountry is your passion or your profession, you should never have to ask, "What do I do now?" On this course, you'll learn how to prepare for the unexpected. WMI's curriculum is unique and includes many advanced topics that other programs leave out such as dislocation reduction, focused spinal assessment and epinephrine administration. In just two days, you'll have the knowledge, skills and ability to make sound decisions in emergency situations. This course is ideal for trip leaders, camp staff, outdoor enthusiasts and individuals in remote locations. WMI's course is pre-approved by such organizations as the American Camping Association, the United States Forest Service, and other governmental agencies. This course does not include CPR.

**WFR RECERTIFICATION REQUIREMENTS**

If you hold a current Wilderness First Responder certification from WMI, SOLO, NOLS, OpEPA, WMA or WPT, you will receive a WMI WFR certification upon successful completion of your WFA or WFR Recert only course. Please bring a copy of your current certification if other than WMI. If you hold a current WFR certification from any other wilderness medicine organization you will receive a letter of course completion in lieu of a WMI WFR certification. This letter of completion may allow you to recertify with your original certifying organization. You must contact that organization prior to your WMI course to ensure that our course will meet their requirements for recertification.

All students are required to submit a photocopy of their WFR certification card on the first day of the course.

There is a one-year grace period for recertification of WMI cards. (Keep in mind that your certification is not current during this grace period and therefore can not work as a Wilderness First Responder.)

**REGISTRATION/POLICIES**

Tuition payment in full is required to reserve your spot in the course. Tuition is non-transferable. Tuition is payable by check (with driver's license number), Visa/MasterCard \* or cash. The tuition fee covers textbooks, syllabus, equipment and certification cards. A full refund will be given if we are forced to cancel the course for any reason.

**CANCELLATION AND REFUND POLICY**

If a student cancels or withdraws from a course:

- Greater than or equal to 30 days prior to the course starting date, WMI will retain a \$35.00 administrative fee.
- Within 30 days of the course start date and once the course has begun, tuition is non-refundable as per the following:

Any activities during the free time are not part of the WMI program and are at the sole risk of the participant.

**CLASS FORMAT/ EQUIPMENT**

**Check in is at 7:45 AM** on the first day of the course. Course days run from 8:00am – 5:00pm. The format for the WFA/WFR Recert is classroom lectures integrated with practical scenarios. Scenarios, and practice sessions will take place both inside and outside. Please bring outdoor clothing appropriate for laying on the potentially wet, muddy or snowy, cold ground playing the role of both rescuer and patient.
